The BOB show will be held on Saturday-Sunday June 6-7, 2026, in the Agriculture & Natural Resources Building on the UT campus. Its street address is: 2431 Joe Johnson Drive, Knoxville TN 37996.

The nearby intersection has these GPS coordinates: N 35.94746, W 83.93987.

The BOB website is at: <ctuft4.wixsite.com/big-orange-bash-live>

Our show hostess is Carol Tuft. Her email is: [ctuft \(at\) utk.edu](mailto:ctuft@utk.edu)

BOB is applying for NAMHSA approval, so 1st and 2nd place horses would earn NAN cards to qualify for the Nationals.

BOB is an open show: anyone may apply, with no age restrictions on any NAN-qualifying divisions.

Saturday June 6: OF Halter Divisions and CM Performance Divisions.

Sunday June 7: CM Halter Divisions and OF Performance Divisions.

Set up starts at 7:30 am EDT and judging starts at 8:30.

Helpful note for travelers from the Central time zone: please adjust your clocks one hour **later** as you drive east towards Knoxville!

"HEY, CHILL OUT!" :-) Unfortunately the University is performing maintenance on their systems between semesters (i.e., when BOB is held), which will cause our show hall to be quite chilly! Since the weather is likely to be hot outside, we suggest you dress in layers. :-)

~~ Parking ~~

The University charges visitors \$10 every day for parking on campus. Our fundraising recipient, the Large Animal Clinic, is purchasing parking tags for us; however, for a 2-day BOB this will cost them about \$1000. Since this gets charged against their operating budget, we're courteously adding the \$10 parking fee on our Entry Forms to reimburse the Clinic along with our donation. Thanks for understanding!

We'll hand you a University parking tag when you unload your horses at the show hall.

Please see the parking map under the 'Directions' tab on the BOB website.

~~ Food ~~

Coffee, soft drinks, water, and snacks are available throughout the day. Some gluten-free snacks are available.

The show pauses for a lunch break about noon. We don't supply lunch, but there are numerous restaurants within a few miles, and services like DoorDash are available. Show hall address: 2431 Joe Johnson Drive, Knoxville TN 37996.

~~ Tables ~~

Each exhibitor gets an 8 foot table, or half of an 8 foot table, as requested. See the table map under the 'Entrants' tab on the BOB website.

Yes, you may sell hobby-related items at your tables!

~~ Raffles ~~

Please: **make sure your tickets identify who you are, such as with name or initials.**

Raffle tables are labeled as "Saturday Drawing" and "Sunday Drawing", but anyone may place tickets for any of the items. If you will not be present on the day of the drawing please arrange with someone (or us) to get your winnings to you after the show (for example at Breyerfest). :-)

To avoid interrupting the busy show, at 2 pm each day we will perform a silent raffle and tape the winning ticket to each item. You may pick up your winnings afterwards.

~~ Showing ~~

Tag System: Each horse must have a tag with the horse's breed and gender on the front, and the horse's name and owner's initials on the back.

We usually have several rings running simultaneously. Please keep up with the class announcements! Once a class is closed, no more horses may be added to the ring.

Judges may ask exhibitors to remove inappropriate horses from the ring.

There is a limit of three horses per stable/owner per class. Additional horses may be shown for \$1 each.

There is a 5 minute time limit on tack changes (7 minutes for multiple changes) between Performance classes.

In Performance classes, please display a **Red** marker next to your entry while setting up. Then display a **Green** marker when it's ready to be judged. This will help the Performance judges!

Documentation and explanation cards/sheets are welcome, limited to 8.5 by 11 inches or smaller.

A horse may be shown lying down on a piece of cloth to give the judge permission to carefully pick it up.

The show hostess and judges reserve the right to combine, close, or candy classes as needed. Classes may also be split by make, breed, size, or color for easier judging.

The Fantasy/Decorator/Medallions/Busts Divisions are unique in that only Yellow NAN cards are awarded. The OF classes are judged on Collectibility and the CM classes are judged on Workmanship.

Judges may show in divisions they are not judging.

~~ Results ~~

All Halter divisions, except for the Fantasy / Decorator / Medallions / Busts Divisions, are DOUBLE JUDGED, with bright color ribbons awarded for Breed, and pastel color ribbons awarded for Collectibility / Workmanship. Note - Collectibility requires documentation.

Ribbons are awarded for 1st through 6th place, but only the 1st and 2nd place results are recorded. Point sheets are available on request to help you keep track of your horses' placings.

Please make sure we know ALL the initial combinations that might appear on your tags, so we can post the results accurately to NAMHSA.

We will post the 1st and 2nd place winners on our website and Facebook. PLEASE help us make sure your winning horses are listed correctly! Send all corrections to us before we submit the results to NAMHSA by their deadline 30 days after the show.
